12. PERMISSION TO PUBLISH																										
Permission is hereby granted to release and publish the above-stated certification for use by Regulatory/Rating Agencies and prospective purchases.																										
It is understood and agreed by the undersigned that the official Rating Agency or SSC, as applicable, may review and appraise the single-service fabricating plant at any time during the period of time the above certification is in effect. It is further understood that failure to maintain the above certification will subject this plant to withdrawal from the IMS List. We will notify the Rating Agency or SSC, as applicable, of any significant changes made in the operation of this plant.
