

SEAL & DISPENSE

Flexible Dispensing Spout

The UNI-GRIP® ULTRA BOND 38MM PLAIN WHITE IN BAGS is a Flexible Dispensing Spout for clean, reliable use. Authorized by Global Product Management Tri-Sure®, it has a crimp-on plated metal ring, polyethylene body, and plain white no-print finish. Each 38 mm, 26 g unit requires no washer and packs 600 per 16 kg box, 10,800 per 320 kg pallet. Made from FDA §177.1520-compliant olefin polymers, it meets food packaging standards.

Part #: 470007

FEATURES

- 38mm Flexible Dispensing Spout – Reliable and clean dispensing performance
- Crimp-on Plated Metal Ring – Secure fit for consistent sealing
- Polyethylene Material – Durable, chemical-resistant, and compliant with FDA §177.1520
- No Surface Print – Plain white finish for universal application
- No Washer Required – Simplified assembly and maintenance
- Lightweight Construction – Component weight of 26 grams for efficient packaging
- High-Volume Packaging – 600 pieces per box / 10,800 per pallet for bulk distribution
- Compatibility – Suitable for various flexible packaging systems and closure setups
